

Sharing Success Grant Application

The annual “Sharing Success” grant opportunity, capped at \$10,000, is made possible by Victory’s governing board of trustees, in partnership with CoBank – a national nonprofit cooperative bank owned by the rural American cooperatives it services, including Victory. The matching grant program is designed to celebrate the vital role that cooperatives play in individual communities across the country. CoBank states that partnering with their customers to support worthy causes they care about is a great way for them to make a positive difference and fulfill its mission of service to rural America. Applications are due to Jerri Imgarten by **August 21, 2017**.
