**ECONOMIC DEVELOPMENT RIDER**  
**NO FACILITIES CHARGE**

**Applicability:**

This rider is applicable to industrial and commercial customers not involved in selling or providing goods directly to the general public that wish to forego a facilities charge. Additionally, this rider is applicable only to those Members whose loads meet the following requirements:

- (a) This rider is applicable to that portion of the demand and energy requirements of a new Member or the increased demand and energy requirements of a Member who has expanded their facilities or operations.
- (b) This rider is applicable to new loads, as described in (a) above, with a demand of 500 kilowatts or more, or new expanded loads with an additional demand of 500 kilowatts or more.
- (c) This rider is applicable to loads with a load factor of 50% or higher, based on the following:

$$\text{Load Factor} = \frac{\text{Monthly Energy}}{(\text{Coincident Monthly Billing Demand}) \times (\text{Monthly Hours})}$$

**Economic Development Credit:**

The Victory Electric Cooperative Assn., Inc. (Victory) shall credit the qualifying Member for any Economic Development Credit which Victory may receive from its power supplier, Kansas Electric Power Cooperative, Inc. (KEPCo), as a result of certifying said Member's new load as qualifying for KEPCo's Economic Development Rider. Should Victory receive a credit, it shall be used to offset any facilities cost incurred by Victory in supplying power and energy to Member's new load so that Member will not be charged for such facilities. Facilities cost shall be defined as 147.2% of the investment as reflected in Victory's plant account. At such time that Victory receives the total facilities cost, any credit offset to Victory shall cease.
